## LIVING THE GOSPEL

January 2019

Dear Readers,

Greetings from AMRI, the office of the Association of Missionaries and Religious of Ireland, where each year we produce this Guide to Retreats and Courses for circulation among our members. While most of the information in this book is now available on various websites, nevertheless, many requests come, particularly from missionaries abroad or returning home, who may not be familiar with the Retreat and Conference Centres that have closed or indeed new ones that have opened. We are grateful to all our advertisers for their support but also for the service so beautifully available to us, religious and missionaries, as we long for space for reflection, retreat and for the many other meeting areas we require during the year for our various Chapters, Gatherings and Meetings.

The past year focused very much on the World Meeting of Families and the visit of Pope Francis to Ireland in August 2018. This year, 2019, we are highlighting the extraordinary Mission Month October 2019 with its theme: **Baptized and Sent: The Church of Christ on Mission in the World**. In calling this event Pope Francis wishes us to celebrate the 100th anniversary of Pope Benedict XV Apostolic Letter *Maximum Illus* which called for mission *ad gentes* back in 1918. This year the call is to reinvigorate our responsibility to proclaim the Gospel with new enthusiasm as outlined in *Evangelii Gaudium*: "missionary outreach is paradigmatic for all the Church's activity." (EG15)

Pope Francis wants this extraordinary missionary month to rest on four points which could well be the focus of our reflection and retreats during 2019:

- A personal encounter with Jesus Christ living in his Church
- Testimony
- Missionary Formation
- Missionary Charity

As religious and missionaries we journey on, conscious that the One who continues to call us, sends us, and will always accompany and support us.

**Liz Murphy, RSM**  
**Secretary General**

## HOLY HILL RETREATS & SABBATICALS

*Holy Hill is one of those unique places you sometimes find at just the right time. My time at Holy Hill gave me the opportunity to really slow down, still my anxious mind and gaze inwards to find my own home in myself and to seek the mysterious presence of God. The mixed community of men and women hermits created the spirit of the place.*

Accommodations: Six modern hermitages with kitchen facility and bathroom, stocked with simple foods. Guests are welcome to join the community for liturgical prayer, Eucharist and Sunday brunch.

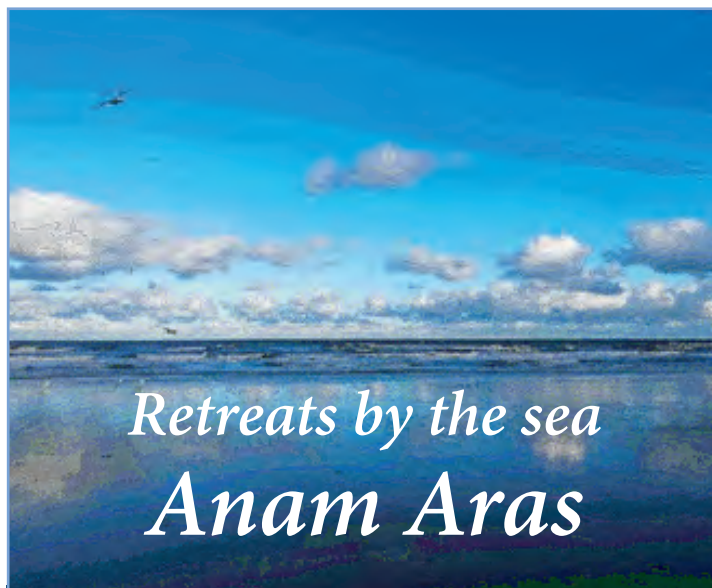

They have access to a 6,000 volume spacious and cosy library, gardens and chapel.

**Set aside time for: Resting, relaxing in the Lord, in beautiful surroundings for hikes to the sea, strolls through country lanes or mountain roads, for your long awaited project, in the context of a small community of apostolic hermits of the Carmelite tradition who offer hospitality with the possibility for spiritual guidance. You may prefer the Colorado location in high mountains and desert.**
